

# Privacy Policy

Tahoe Prep Hockey Academy understands that privacy and security are extremely important. This spells out our privacy policy and is intended to demonstrate our firm commitment to your privacy as our Private Client. This policy does not, however, govern the terms of our relationship or constitute any representation or warranty. All terms of our relationship are governed by our [Terms and Conditions](#).

## ACQUIRING INFORMATION

Our site's registration requires you to give us contact information, including your current mailing address, phone number, your valid email address and a valid credit card number. **Your personal contact information is collected primarily to determine the worthiness of any individual to be using the Tahoe Prep Hockey Academy site.** Your personal information will only be shared with those who either win your auctions or who are the seller's of auctions which you win. Your personal information is maintained and regularly updated to help prevent fraud on Tahoe Prep Academy. We also use this information to bill you if you participate in our auctions and acquire wines. We will not use your contact information to send you information about business partners we may have.

Our site does use cookies. We use these cookies to deliver content specific to your interests, to save your password, and for other purposes.

**Your personal information will never be sold, given, or rented to 3rd parties.** We use this data to send you information about our auctions, special offers and other Cultwine news.

This site sometimes contains links to other sites. Tahoe Prep Hockey Academy is not responsible for the privacy practices or the content of such sites and expressly disclaims all responsibility and liability for any and all such sites.

## THIRD PARTY REQUESTS FOR PRIVATE INFORMATION

Generally, we will not supply any information concerning our users to unaffiliated third parties. We will, however, provide access to personal information in order to comply with valid legal processes, such as search warrants, subpoenas, or court orders; or to process and protect our rights and/or property. We may also make user information available or trace IP addresses in special circumstances, such as where physical safety may be at risk.

## SECURITY

This site has security measures in place to protect the loss, misuse and alteration of the information under our control. These measures include firewall protection, password encryption, and restricted server access. The physical server hosting the site is kept under surveillance, lock and key in a guarded facility twenty-four hours a day, seven days a week. However, none of these measures is absolutely safe or unconditionally guaranteed and these measures may not prevent the loss, misuse or alteration of information. Therefore, we urge all users to exercise caution while using our site.

All confidential information entered on this site is secured from access by unauthorized parties through multiple levels of password protection, encryption and other internal processes designed to prevent unauthorized parties from coming into contact with our users' personal private information. We support the industry standard SSL mechanism for securing sensitive data traffic. Data is backed up on a regular basis through a secured data vault service at our server facility.

While we strive to protect our users' information and privacy, we cannot guarantee the security of any information you disclose online, therefore, you do so at your own risk. You acknowledge that you are aware of security and privacy limitations, including but not limited to: (1) the limitation of security, privacy and authentication measures and features within this system; and (2) that data or information on the site or server may be subject to hacking, password theft, electronic fraud and contamination by viruses.
